Overview of services

Business Insurance

Every business operates within an evolving risk landscape. In addition to traditional exposures such as property and liability, organisations now face emerging challenges including cyber threats, supply-chain disruption and climate change.

At Verlingue, we combine specialist sector knowledge with established insurer relationships to structure insurance programmes that protect performance and build resilience.

We look beyond policy placement. By understanding how your organisation operates and the commercial pressures you face, we provide clear, commercially focused advice built around your priorities.

We work across a broad range of industries, with particular expertise in:

- Agri-food
- Hospitality/ Restaurant chains
- Tech
- Food Delivery & Franchise
- Media & Film production
- Multinational
- Logistics companies
- Life Sciences & BioTech
- Construction
- Manufacturing

WHAT OUR CLIENTS SAY

Verlingue are more of a business partner than a broker. They provide a high quality service combined with a genuinely hands-on approach. Their informed advice and reassurance continue to make a real difference to our business.

Employee Benefits

Attracting and retaining talent is key to the success of your business.

Our Employee Benefits solutions help organisations to look after their people and enable them to remain happy, healthy and engaged.

We work closely with you to create benefits that reflect your culture and make a meaningful difference to your workforce.

Our key solutions include:

- Benefits Consulting
- Healthcare & Wellbeing
- Retirement & Workplace Savings
- Risk & Protection
- Benefits Platform & Voluntary Benefits
- International Consulting

WHAT OUR CLIENTS SAY

VIE has transformed how our employees access and engage with their benefits. The single sign on login makes it simple for everyone to find what they need quickly, and the transition from our previous platform was seamless thanks to the support and guidance of the Verlingue team. Engagement levels and benefit uptake have increased significantly across the board, delivering real value for both our people and the business.

Overview of services

Risk Management

Effective risk management is fundamental to the resilience and success of any business.

At Verlingue, our specialist team works with you to identify, evaluate and control both strategic and operational risks. Combining technical expertise with practical experience, we help you protect your business, strengthen your legal position and minimise financial and reputational exposure.

Our services range from traditional risk advisory support to Enterprise Risk Management advice, giving you the insight, structure and tools needed to make informed decisions with confidence.

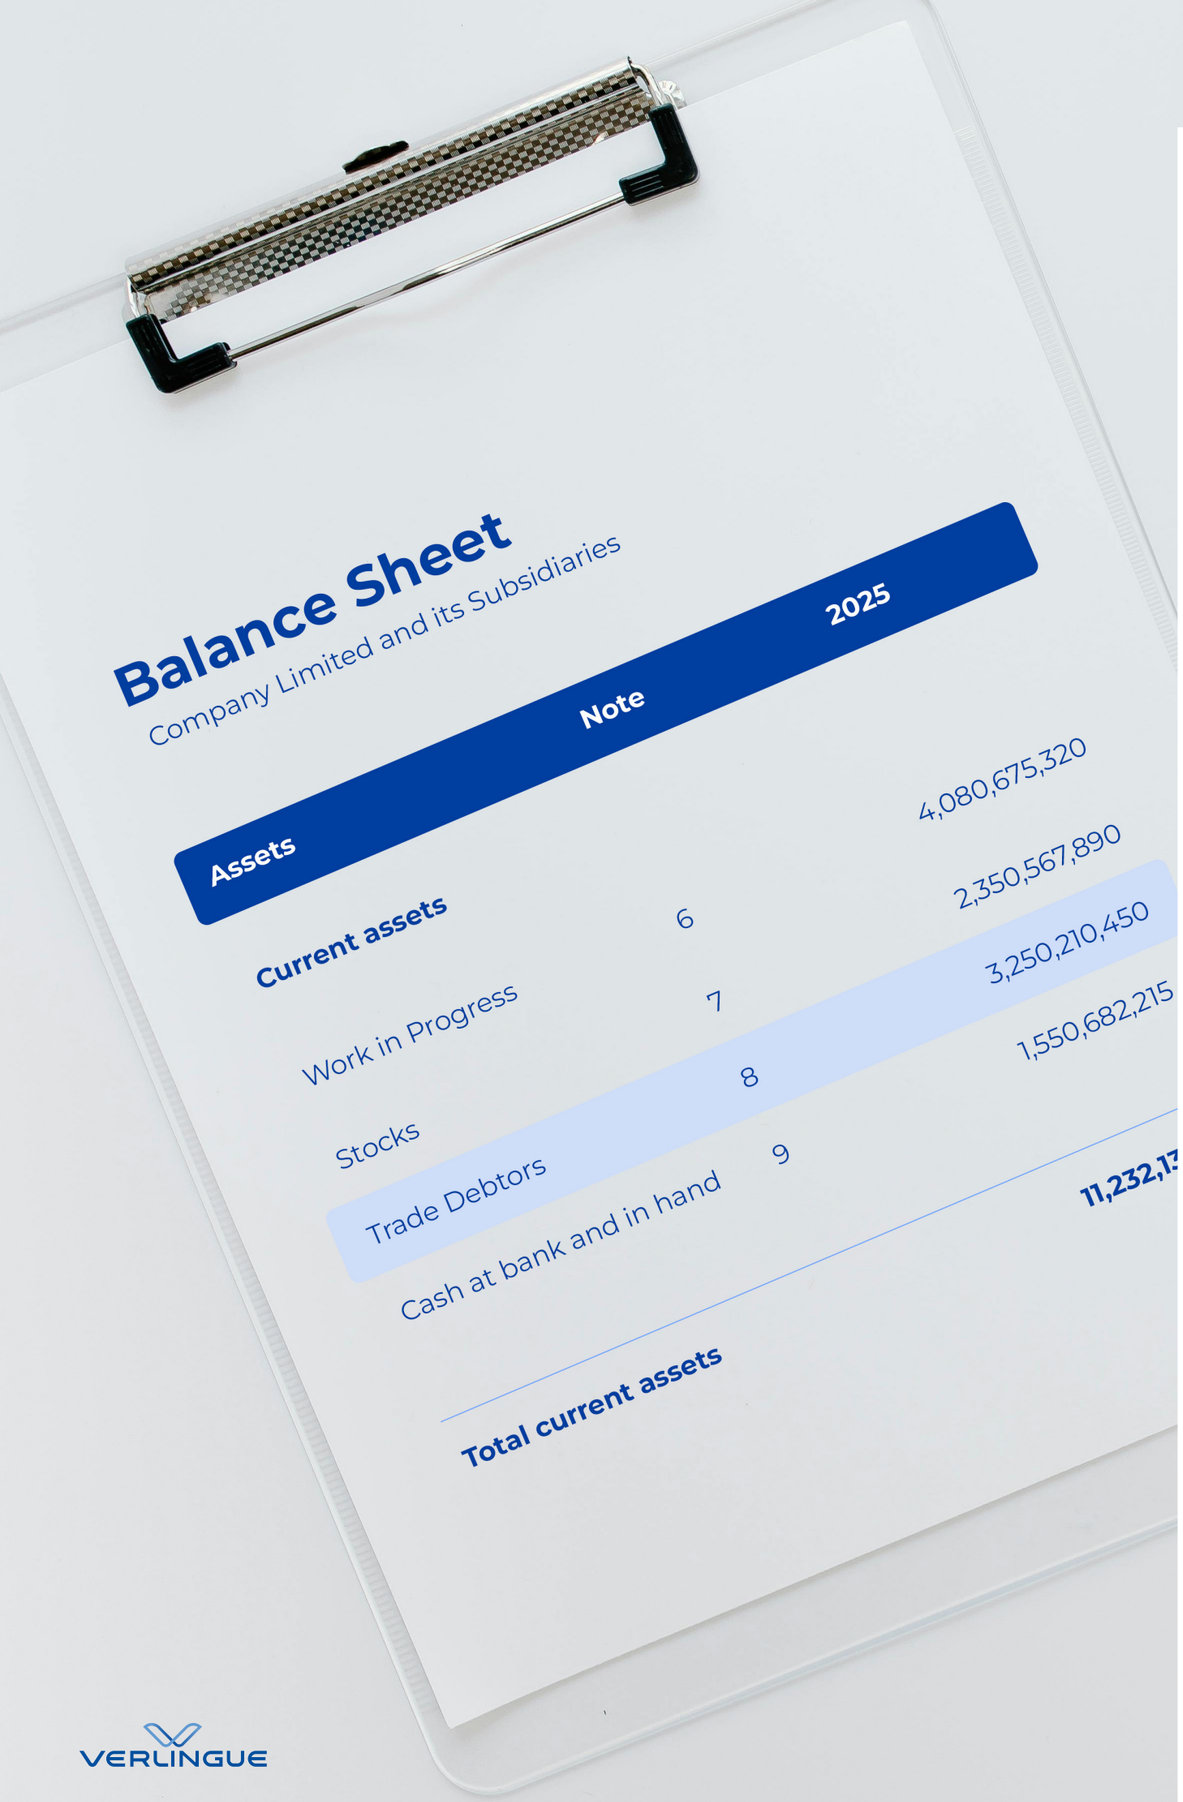

Our key services include:

- Property Loss Control
- Business Continuity
- Cyber Risk
- Motor Fleet Risk Management
- Enterprise Risk Management
- Health & Safety
- Risk Management Training eg IOSH

WHAT OUR CLIENTS SAY

The most refreshing element of our relationship is the behaviours demonstrated by the team at Verlingue. Expertise is a given, but unlike larger brokers they consistently show ownership, tenacity and curiosity. These qualities align particularly well with our own approach.

Trade Credit

Offering credit supports business growth, but it also brings the risk of customer default. Trade credit insurance protects you against non-payment, helping to secure cash flow and strengthen balance-sheet resilience. With the right protection in place, you can grow confidently and seize new opportunities with greater certainty.

At Verlingue, we take the time to understand your customer portfolio, trading patterns and risk appetite. We provide clear, commercially focused advice that helps you secure appropriate protection while enabling informed credit and growth decisions.

Our services include:

Core structured solutions

- Whole turnover cover
- Single buyer cover
- Selective buyer cover (covering 5-10 named buyers)
- Top-up cover
- Catastrophe (XoL)
- Global policies

Bonds & Surety

- Performance bonds
- Advance payment bonds
- Bid/tender bonds
- Environment Agency bonds
- Maintenance bonds
- Bond facilities

Business support services

- Buyer risk assessments and credit limit appeals
- Claims handling
- Supply chain management
- Full policy onboarding support with system training
- Policy technical training
- Debt collection services

WHAT OUR CLIENTS SAY

Our relationship with Verlingue is efficient and works exceptionally well for our management team. They act as an extension of our credit department, removing the worry, time and effort from my team and allowing us to concentrate on growing our business with confidence.
