How we help to establish & achieve clients' employee benefit objectives

Recognising and rewarding
your workforce

Helping you to attract, retain and reward your employees

Businesses are increasingly looking for new ways to improve employee engagement and control costs.

Connect is an innovative and easy to use platform which enables companies to offer their employees more flexible Employee Benefits, whilst reducing the administrative burden on their HR teams.

Connect can be personalised to include your company's branding and content.

Staff communication and engagement

- Communicates the full range of benefits available to employees
- Helps employees to understand the value of their benefits package through Total Rewards Statements
- Increases employee engagement which drives improved business performance and employee retention

Reducing administration

- Reduces benefits administration including reporting to external providers, payroll and P11D
- Can consolidate multiple systems into one platform

Access and usability

- Enables employees to view their benefits information 24 hours a day via all internet enabled devices
- Simple and intuitive to use

Cost control

- Provides analytics which will help you to ensure you are investing in the benefits your employees value most
- National Insurance savings may make the system cost neutral or even generate savings
- Improved retention reduces recruitment costs

Worldwide Broker Network (WBN)
